PRESS RELEASE

KPA Selected as a Strategic Partner by Fix Auto USA

Fix Auto USA has selected KPA as the strategic partner providing HR Software for Fix Auto USA

Lafayette, CO (KPA, February 4, 2012) – KPA announced today that Fix Auto USA has selected KPA as a strategic partner for HR Management for the Fix Auto USA franchises and network members. “Fix has used KPA’s HR Management program in our corporate office for the past four years,” comments Michelle Farnum, Fix Auto USA’s Human Resources Manager. “KPA’s HR Management program gives me peace of mind. While I can’t be at every location every day, our HR policies, tools, training, and information can be there, and always accessible for employees and location managers”.

KPA offers a complete system for HR management and compliance. KPA’s HR Management program includes:

- Online employment application
- Pushed reporting to ensuring visibility of compliance and training
- Guided workflows for every aspect of employee management
- Industry specific pay plans, job descriptions and policies
- HR compliance training for employees and supervisors
- Access to HR professionals and attorneys

Vane Clayton, CEO of KPA, comments “Fix Auto USA is a recognized leader in using technology to facilitate more efficient shop operations. We are pleased that Fix Auto USA has selected KPA to assist franchises and network members with the management of their workforce. From a single shop to multi-site operations, the KPA HR Management program will assist with hiring, employee performance management and retention in compliance with state and federal regulations.”

About KPA

KPA is a dealer services and Internet marketing provider for over 4,000 automotive, truck, and equipment dealerships and service companies. KPA provides consulting services and software for three industry-specific product lines: Environment & Safety, HR Management, and Internet Marketing. For more information, visit www.kpaonline.com.

About Fix Auto USA

The FIX Auto Network was established in 1997. Headquartered in Anaheim Hills, California, FIX has over 300 locations in the United States and Canada, making it one of North America's largest networks of independent collision repair centers. Additional information about FIX Auto USA is available at <http://www.fixauto.com>.
